

From a Business Card to a Revenue Engine

The feature ladder for a modern mechanic's website — start simple, then bolt on booking, loyalty and payments as the shop grows.

1

Starter Presence

THE ONE-PAGER

A fast, mobile-first page that turns a Google search into a phone call.

- ◆ Click-to-call & click-to-text buttons
- ◆ Services list with descriptions
- ◆ Simple contact form
- ◆ SSL, fast load, basic local SEO
- ◆ Hours, address & embedded map
- ◆ Real shop & team photos
- ◆ Google reviews + social links
- ◆ Mobile-responsive design

2

Lead Generation & Trust

UPSELL #1

Capture more enquiries and build instant credibility.

- ◆ "Request a Quote" form (year/make/model)
- ◆ Photo upload of the problem / dash light
- ◆ Live Google / Yelp review feed
- ◆ Coupons & specials page
- ◆ Maintenance blog (SEO)
- ◆ Easy multi-step intake form
- ◆ Live chat or chatbot
- ◆ Before / after gallery
- ◆ Warranty, certifications & FAQ
- ◆ Email / SMS list sign-up

3

Online Booking & Scheduling

THE BIG VALUE JUMP

Let customers book themselves in — 24/7 — without tying up the phone.

- ◆ Real-time availability calendar
- ◆ Bay / technician capacity rules
- ◆ Auto SMS / email reminders (cut no-shows)
- ◆ Shop calendar sync (Google / Outlook)
- ◆ Recurring service reminders
- ◆ Service type sets the time block
- ◆ Drop-off, wait, loaner & shuttle options
- ◆ One-tap reschedule & cancel
- ◆ Holiday & lunch blackout dates
- ◆ Deposit-to-book for big jobs

4

Customer Accounts & Loyalty

RETENTION ENGINE

Turn one-time fixes into customers for life.

- ◆ Customer portal with full service history
- ◆ Digital invoices, reports & photos
- ◆ Referral program with codes
- ◆ "Your car is due" auto reminders
- ◆ Win-back & birthday offers
- ◆ Multi-vehicle "garage" per account
- ◆ Loyalty / points / rewards
- ◆ Maintenance memberships (recurring revenue)
- ◆ Review-request automation

5

Payments & E-Commerce

FULL PLATFORM

The whole job — quote, approve, pay — handled online.

- ◆ Digital estimates & e-sign approval
- ◆ Online invoicing & secure payment
- ◆ Financing / buy-now-pay-later
- ◆ Gift cards & service vouchers
- ◆ Tire / parts order-ahead
- ◆ Digital vehicle inspections (photo/video to phone)
- ◆ Pay-by-link / text-to-pay
- ◆ Parts & accessories store
- ◆ Sell service packages online
- ◆ Quote → cart → booking flow

Premium Add-Ons

Stack onto any package — most also carry a recurring monthly fee.

- ◆ Local SEO & Google Business optimization
- ◆ Analytics & call-tracking dashboard
- ◆ AI phone answering / after-hours booking
- ◆ Fleet / commercial B2B portal
- ◆ Multilingual & accessibility (ADA)
- ◆ Google Ads / Local Services Ads management
- ◆ Shop-software sync (Tekmetric, Shopmonkey...)
- ◆ Reputation management dashboard
- ◆ Towing / emergency request button
- ◆ Hosting, backups & security retainer

How to Package & Price It

Three tidy tiers — and the recurring revenue that pays off long after the build.

STARTER

Tier 1

The one-pager. Low flat fee, fast turnaround. Gets them found and called.

GROWTH

Tiers 1–2 + Booking

Lead capture plus online scheduling. The most popular mid-package.

PRO

+ Loyalty & Payments

The full revenue machine: accounts, rewards, estimates & online pay.

Where the real margin lives → hosting & maintenance · SEO / ads management · SMS & email credits · per-feature monthly add-ons (booking, loyalty, inspections).
